Iowa Health Foundation

Thoughtful gifts of all sizes to Iowa Health Foundation help provide a strong financial base for the hospitals to provide excellent healthcare to our patients and families. Gifts also allow the hospitals to expand into promising new medical programs, strengthen existing ones, broaden medical knowledge through research and provide for the community health needs.

Without generous gifts by donors, many of the most promising programs, services and facilities would not exist. Recently, charitable gifts have either significantly supported or completely paid for the following:

- Methodist West Hospital
- John Stoddard Cancer Center
- Taylor House Hospice
- Blank Children's Hospital Expansion & Renovation
- Iowa Lutheran Hospital Emergency Department
- Child Life Program
- daVinci™ minimally invasive Surgical System
- Conference & Learning Center
- ICU/CCU Social Work Program & Facility Expansion
