Dear SALUTATION,

As we celebrate this special season, the Iowa Health Foundation celebrates the advancement of the programs made possible by your generous support.

Iowa Methodist Medical Center: *Your gifts in support of the Younker Rehabilitation Center will help to provide the most up-to-date equipment for our patients.*

Blank Children's Hospital: *The Regional Child Protection Center brings together a team of specialists skilled in the medical and psychological assessment of abused children. Your support will help make the difference in the life of a child and help stop the abuse.*

Iowa Lutheran Hospital: *Your contribution to Behavioral Health Services will help provide advanced medical care with psychiatric diagnosis and treatment addressing mental illness, emotional or behavioral problems and chemical dependency problems. This program is needed year round, but especially during the holidays.*

John Stoddard Cancer Center: *Help support CarePages. Through CarePages cancer patients and families can create customized websites to share with family and friends updates about their cancer journey. Staying connected with their support community helps provide cancer patients with support of others at a time when they need it most.*

Taylor House Hospice: *You can help provide a counseling session with our bereavement staff for a child who has lost a loved one, help stock the family kitchen at Taylor House or provide relaxation kits for our patients or caregivers. Your gift will help make those last moments with loved ones more comfortable.*

Today, as we face the challenges of a new year, your help is needed to continue these programs. Would you please consider sending a special year-end gift to the Iowa Health Foundation – perhaps \$AMT1, \$AMT2, or even \$AMT3?

Whenever you need us, you can count on the Iowa Health Foundation and the five outstanding healthcare organizations we support. May we count on your support now?

For whatever you send, we are deeply grateful. Wishing you and yours a safe and healthy holiday season.

Sincerely,

Dennis W. Linderbaum, President
Iowa Health Foundation
